

PANEL 1250

Kalamazoo, MI

Great location for these back-to-back digital boards that are 10'x36'. This location has a weekly traffic count in excess of 220,000. These signs sit within a mile of a major I-94 on and off ramp. The north-facing sign has a long, clean read that is well viewed by the southbound traffic. The south-facing sign can also be seen with a nice high view, as the signs sits at 30 feet overall height. The famous Sweetwater's Doughnut Mill is just across the street, and the signs are flanked by a heavily-trafficked Taco Bell and CubeSmart Self Storage facility. This great location is 500 feet south of Business I-94.
