

PANEL 2150

Ithaca, MI

These US-127 digital panels have extremely long read times with no view obstructions. Traffic count exceeds 20,000 daily and increases significantly on weekends and in the Summer months. This is the only digital billboard site along US-127 between Lansing and Gaylord. Perfect for businesses from all over the state of Michigan! Also perfect for destination businesses in the areas of Traverse City, Grayling, Gaylord and Mackinaw City.
